## IMPORTANT:

Due to large tidal changes, the gangway locations can change throughout the day. They will generally be located midship on deck 1, 2, or 3. Occasionally we do have to move the gangway while in port. If this happens, gangways may temporarily close for about 15 to 20 minutes. When using the gangway, please use the handrails and be careful of your footing as it can be slippery if wet. Weapons, including most knives, i.e., "bullet knives", are not allowed on board. Souvenirs of this nature must be mailed home from ashore. ULU knives are permissible, but must remain in your stateroom. Due to local laws, announcements cannot be made on the open decks while we are in port. To hear the announcements in your room, tune to channel 15 on your cabin TV. Ship's Time will change at 2:00am tomorrow. Before you go to bed tonight, please set your clocks one hour forward.
