You will never see any crew member throw anything overboard, and to help to continue to protect YOUR oceans and seas, we ask guests to also refrain from doing so. You must never throw a lit cigarette overboard, or flick hot ash overboard as this could blow back into the ship and start a fire.

Free Cruise for Two drawing.

Every guest, including children, will receive a Comment Card from your Cabin Steward today by 4:00pm. Your comments are used in an effort to constantly upgrade the service we provide and they are very important to Carnival Cruise Lines. Carnival's goal is to **exceed** your expectations; if we have only met your expectations then we have not done our job. The rating category chosen should be based on the over-all performance of the entire department. Please don't let one incident, person, or joke affect your rating for an entire category or department. A separate space is provided for written comments on the back of your card. If someone has made your cruise more enjoyable, please include their name! When you have completed the form, deposit it in any of the Comment Card boxes around the ship.
